# Bus Timetables

Commencing Sunday 27th March 2016

Services: 5, 6, 10, 15, 43, 44A

eXpress Services: X11, X44, X55

Individual timetables available for more rural services!

## INFORMATION ON USING OUR BUS SERVICES

For anyone unfamiliar or new to using bus services here are some useful tips:

- Please be at your stop in good time, we suggest 5 minutes before departure time, and when you see the bus approach the bus stop, put out your arm to clearly let our driver know you wish him to stop for you to board.
- On entering the bus if you have a concessionary smart card or cashless card place it on the reader on the ticket machine. Tell the driver where you want to go and if you don't have a smart card you can pay by cash.
- Take a seat and relax. If a seat is not available and you have to stand please hold on tight to one of the poles provided. On double deck vehicles if travelling a longer distance please consider leaving the seats downstairs for our more elderly passengers and those making shorter journey's.
- Keep your ticket with you, check it is correct, and then dispose of it appropriately when you leave the bus.
- When you wish to leave the bus press the bell push/ stop button on the upright stations that are throughout the bus and the driver will stop at the next stop.

### Fares and tickets.

We currently have 3 classes of ticket – Adult – Child ( under 16 ) and a reduced cost 16 – 19 Inbetweener fare.

We sell single, return and weekly travel tickets on bus – Season tickets are available from our head office.

We also sell all day Explorer tickets for those who need to travel on more than one of our services.

We accept all English National Concessionary Cards from all English Counties on all of our services between 09.30 and 23.00 Hrs Monday to Friday and all day Saturdays / Sundays and Bank Holidays.

### NEW: We will be accepting the Holdall cashless travel card on all our services from 27st March 2016.

Full information is on our website but briefly you will need to go onto the Holdall website to set up your account and obtain your FREE HOLDALL CARD. Once received you will then need to go onto the Squid site and set up your cash account to put money onto the card. After that you just scan your card on the bus instead of giving cash. The ticket issued will be the same accept it will show your card balance on the bottom of the ticket so you will always know the value left on the card. You can set up a direct debit to automatically top up your card when the balance reaches a pre-set value. Simple and efficient – It will help our drivers to speed up boarding with no change issues.

### Keep up to date with what is happening.

We have an up to date website [www.sanderscoaches.com](http://www.sanderscoaches.com) go on it and have a look – On there you can sign up to our e mail alert system and whenever we post a notice about roadworks or any other issue that may affect your service you will get a e mail alert direct to your computer or smart phone if you have one.

### Journey Travel Planning

There is opportunity for you to swap between any of our services to make longer journeys. We suggest that you consider Anglia Square as a change point on all services entering Norwich. This will save you time travelling to and from the bus station. For instance get off the X44 at Anglia Square to catch the X11 or 10 service to Wroxham. Otherwise a lot of services go through Cromer and Nth Walsham – check out the times you can create some great days out on the buses.

### Lost Property:

If unfortunately you leave something behind on one of our vehicles you can telephone our lost property department between 09.00 and 1600 hrs Monday to Friday where we will do what we can to reunite you with the lost item. Tel : 01263 712800 or you can report it on e mail via our website.

**Rail Connections :** Rail connections are available at Sheringham – W Runton – Cromer – Nth Walsham – Wroxham and Norwich.

Printing costs continue to rise so we have taken the decision to create a booklet only for the services that we have pretty much full control over. I am sure you can understand that if just one timetable changes we will then have to reprint the whole book. Doing it this way we believe this timetable booklet should stay in force for some considerable time.

## Services contained in this timetable book

service No	Route Description	Days of operation	Page No.
5	Holt - Sheringham - Cromer - Mundesley - Nth Walsham	<b>Mondays to Saturdays</b>	<b>4 &amp; 5</b>
